RE: New Service Provider

Dear Valued Customer:

On July 1, 2003, OPEX Communications, Inc. ("OPEX") will acquire certain assets of Intelaone Communications, Inc., including the carrier's subscriber base.

OPEX has no plans to change the rates, terms, and conditions of services currently provided to you. In addition, no charges or fees will be imposed as a result of this transfer. OPEX will provide at least thirty (30) days prior written notice of any changes to these rates, terms, and conditions.

As our customer, you have the right to choose your long distance provider; you are free to choose another carrier to supply the services currently provided if an alternative carrier is available.

All subscribers receiving this notice, even those who have arranged PIC freezes through the local exchange carrier (LEC), will transfer to OPEX unless another carrier has been selected prior to July 1, 2003. If you have a PIC freeze on your account, you will need to contact the LEC to arrange for a new freeze.

Should you have a question or complaint concerning this transfer, please contact OPEX by dialing the following toll-free number: (877) 577-7266.

Sincerely,

Intelaone Communications, Inc.
